Trainee to Risk or Insurance area

You are bright and initiative team player? You are interested in data and finance and would like to challenge yourself in this area? If yes, then apply to Swedbank’s traineeship program!

As a trainee your role is …
- To perform insurance and credit risk analysis;
- data modelling and validation;
- to support specialists in their day to day tasks.

You are a perfect match if you …
- Study Mathematics and Statistics or Actuarial and Financial Engineering at a masters (recommended) level;
- are good in Excel and in some other statistical software;
- have very good English skills;
- are interested in risks or insurance area.

Full time traineeship is approximately 3 months long (mostly in the summer) located preferably in Tallinn.

Why join us?
Traineeship in Swedbank is an experience for life. You have an opportunity to see inside an international company and work with some of the top specialists. You will also have an opportunity to take part in one of the best trainee programs – Kick Start. When you stand out, then we might just want to see you with us in the future.

How to apply?
- Submit your application to raul.kangro@ut.ee by 25th of March 2018 at the latest.
- We will contact you within two weeks after the deadline to give further details about the process.
